

COLLEGE CREDIT PLUS CONSENT AND APPROVAL FORM

PARENT AND STUDENT CONSENT

The student named has permission to enroll at The University of Toledo as a College Credit Plus (CCP) student. Both the student and parent/guardian, in agreement with the student's school, recommend this action.

It is acknowledged that the student will attempt to earn collegiate credit, and that any grades earned will become part of the permanent college record. Please be aware that CCP students will be in classes with other college students and may be asked to participate in discussions of an adult or delicate nature. Course materials, discussions, assignments and exams will not be adapted or changed for minors in these classes.

An online application for the student is required, along with all supplemental materials (this form, transcripts and ACT, SAT or Accuplacer test scores). Supplemental materials must be sent by the school official from the school or its email address. Visit utoledo.edu/admission/apply/now to fill out the online application.

IMPORTANT — Any student who registers for courses in excess of the amount awarded and/or not approved by the University prior to registration will be responsible to pay for the course(s) that exceeded the amount of awarded hours. Non-public and home-school students must supply the state-assigned CCP identification number and show proof of hours awarded by the state.
