### GRADING

Exams: Your grade for the course will be based on your performance on three examinations. Exams will be given during the class meeting for the exam date listed in the syllabus. Each of the three exams will consist of approximately 70 multiple choice questions which will cover material from both the text and the class lectures. Exam questions will include class lecture material, even if the lecture material is not 2----

Note: After dividing, any fraction .5 or above rounds up, while less than .5 rounds down. For example: a final course grade average of 8.5 = "B+"; while a final average of 8.4 = "B"

#### **COMMUNICATION GUIDELINES**
