Course Description:

Course Withdrawal, Academic Honesty, and Student Behavior:

Please consult the University Website for more detail on these policies. There are two I will highlight though: 1) academic dishonesty will

not be tolerated, and there will be <u>severe</u> <u>consequences</u> (e.g., receiving an F on an exam and/or in the course) if I see it, and 2) be polite and respect others, even if you disagree with their opinions.
