the manific task will depend upon the nature of the preject and a student's rate in the preject)	
 the specific task will depend upon the nature of the project and a student's role in the project) Enter/code data. An important step in the research process is correctly entering and coding data. 	
• <u>Enter/code data</u> . An important step in the research process is correctly entering and coding data.	

If students do not follow the procedures laid out in the syllabus they may be asked to drop the course. When students are not following the syllabus, the instructor may also remove the student from the course (resulting in an IW) or assign the student the grade of "F". Students will be given written and oral warnings before being given a forced withdrawal from the course.
