2	University of Toledo Libraries
3	MISSION: The mission of the University Libraries is to drive excellence in life-long learning, discovery and engagement. Within a collaborative and interdisciplinary environment, we enrich the student learning experience, facilitate research at all levels and engage the community through innovative educational services, resources and technologies.
4	Strategic plan: Themes
5	
6	Theme 1: Undergraduate Information Literacy
7	Benefit: To help students develop research and critical analysis skills in order that they acquire , discover, and apply knowledge responsibly; to support faculty in teaching and assessing information literacy as a core competency.
8	Goal 1a: Develop methods to assist faculty and teaching assistants in teaching and assessing information literacy as a core competency
9	Goal 1b: Refine course-integrated information literacy instruction to focus on upper level undergraduate courses
10	Theme 2: Graduate and Professional Information Literacy
11	Benefit: To help graduate and professional student develop research and critical analysis competencies as appropriate for their careers, in order that they acquire, discover, and apply knowledge responsibly; and to support faculty in helping learners develop these competencies
12	Goal 2a:
