Financial Responsibility , Student Bills and Payments

Each student is financially responsible for payment of fees and charges assessed to his/her student account. Student accounts are audited (reviewed) and the University has no limitation on how many semesters it may go back for additional fees. Students receive bill notification electronically via their University of Toledo assigned e-mail address. The University e-mail address (firstname.lastname@rockets.utoledo.edu) allows guaranteed delivery, provides quicker communication, and is consistent with other processes. If other parties such as parents, grandparents, guardians, etc are assisting a student with payment, it is the student's responsibility to communicate the balance owed and the date it is due. The student receives the educational services and is the account owner. Students can access their student account using the [MyUT portal](#). The portal does require the student to log in using their password .

All fees are billed and payable in U.S. Dollars. Any bank fees for processing foreign payments will be charged back to the student. The University accepts certified check s, personal check s, , p351 0y Un , fess (t)6.3 (h)24.3 (e)13.43 (he)2el cr ()-12Td [(,)

Official Withdrawals

Students withdrawing from any or all courses should consult the Financial Aid Office regarding the affect on financial obligations.

By the Student — An official withdrawal (W) occurs when the student gives official notice of his/her intent to withdraw from class(es) at the University. At some time after the add/drop period and before the end of the withdrawal period, a student may find that it is in their best interest to withdraw from a particular course. When this is the case, the student should obtain a withdrawal petition from the Rocket Solution Central Office (RSC), Rocket Hall, Room 1200. Complete and return the form to the RSC Office within the specified time. The student will be given a "W" on their transcript indicating they officially stopped attending the course. Grade point average is not affected by withdrawal from class. Students should consult their college for the number of withdrawals allowed.

Withdrawal deadlines will be proportional for special classes that do not meet at the standard start/stop dates of the term, similar to add/drop deadlines.

Students are encouraged to enroll in direct deposit for student account refunds. Direct deposit is the safest, fastest, and most efficient method for students to receive their student account refund. Students can enroll and update direct deposit information via the MyUT Portal.
