

Fees and Policies

All fees, policies and rules are effective for the 2014- 2015 academic year . Tuition rates are assessed at the student level and residence classification. For example, graduate students taking an undergraduate course are assessed at the graduate level. The University reserves the right to make changes without advance notice. All fees are approved by the Board of Trustees.

Once a student registers for courses, he/she is responsible for all fees . Payment is due by the specified published due date . Due dates are available on the Treasurer's website and student's e-statement, as well as posted in Rocket Hall. Registration activity (adding or dropping courses), after the published due date, should be paid the same day the activity occurs. Accounts must be kept current in order for the student to maintain enrollment eligibility and receive official University documents and services, i.e. transcripts.

Official Withdrawals

Students withdrawing from courses should consult the Financial Aid office regarding the effect on financial obligations.

An official withdrawal (W) occurs when the student gives official notice of his/her intent to withdraw from class(es) at the University. At some time after the add/drop period and before the end of the withdrawal period, a student may find that it is in their best interest to withdraw from a particular course. When this is the case, the student should obtain a withdrawal petition from the Rocket Solution Central Office (RSC), Rocket Hall, room 1200. Complete and return the form to the RSC Office within the specified time. The student will be given a "W" on their transcript indicating they officially stopped attending the course. Grade point average is not affected by withdrawal from class.
